NH DHHS COVID-19 Update April 4, 2022

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Monday, April 4, 2022, DHHS announced 102 new positive test results for COVID-19 for Sunday, April 3. Today's results include 84 people who tested positive by PCR test and 18 who tested positive by antigen test. DHHS also announced 161 cases from Friday, April 1 (129 by PCR and 32 by antigen test); and 131 cases from Saturday, April 2 (110 by PCR and 21 by antigen test). Test results for previous days are still being processed and updated case counts for prior days will be reflected on the [COVID-19 interactive dashboard](#). There are now 1,033 current COVID-19 cases diagnosed in New Hampshire.

Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, there are sixty-one individuals under the age of 18 and the rest are adults with 57% being female and 43% being male. The new cases reside in Rockingham (88), Hillsborough County other than Manchester and Nashua (57), Grafton (49), Strafford (49), Cheshire (32), Merrimack (22), Belknap (15), Carroll (8), Sullivan (8), and Coos (6) counties, and in the cities of Nashua (28) and Manchester (18). The county of residence is being determined for fourteen new cases.

There are currently 6 hospitalized patients being treated for COVID-19. In New Hampshire, since the start of the pandemic, there have been a total of 303,010 cases of COVID-19 diagnosed.

Current Situation in New Hampshire
